Hi all, to help with the technical review process, chemists will adhere to the following schedule beginning Monday 7/3/12. Lisa and Kate will present their data to Della for review. Mike, Hevis, and Daniela will have their work reviewed and signed off by Peter. Della, Nicole, and Dan will submit their data to CBS. If a chemist needs data in emergency, they can ask any of the technical reviewers for help. Julie do you want a technical review of marijuana samples done by Mai? Anyone have questions. CBS

Hello,  
Attached is a computer access form for the Massachusetts State Police. Since the MSP is in another computer domain, it is important to establish a new account for each of you in that system to ensure uninterrupted computer service on July 1<sup>st</sup>.

Please complete and email to Brian Silvia at [brian@doc.state.ma.us](mailto:brian@doc.state.ma.us). As soon as possible.

Thanks, Julie

Good afternoon,

Would it be possible to have the staff moving over fill these out so I can get the process started? How would I get to Amherst staff? They can send back electronically if possible

Again thanks for all of your help
